Observations and photographs

As part of our commitment to provide for the individual needs of your child we will observe all areas of development, and in partnership with you, record progress in those areas in order to plan appropriate activities within the nursery.

These observations and records will be available for inspection by Ofsted, otherwise they will be confidential and available only to you and those nursery staff involved in planning the early learning for your child.

The nursery offers training placements for childcare students who, in order to complete college assignments, will be asked to observe play. Individual students will be asked to gain your written permission to carry out these observations and use them in their assignment work.

Any photographs taken of your child by nursery staff or childcare students may be used in nursery displays but will not be taken off the premises.

From time to time, photographers or the local press may come and take photographs in the nursery to feature in the local newspaper (with the full names of the children).

Please consider the above and return the separate completed permission slip to the nursery manager.

Permission to take children off the premises

As part of early learning planning, the nursery will arrange local visits and walks in the neighbourhood to support children’s knowledge, understanding and experiences. For example, they could learn about different kinds of food and cooking ingredients during a trip to a supermarket, or collect objects of interest for a collage or table display during a walk in the park.

For your child to take part in such activities we require written permission from their parent(s).

All outings away from the nursery will be assessed to identify risks and measures will be put in place to ensure children, staff and assistants are safe during their time away from the nursery (please refer to our visits and outings policy).

Adult to child ratios will be higher than normal on these occasions and we would welcome and appreciate any parents who would feel able to accompany us on short walks and trips.

Please note that separate letters and permission slips will be sent out for visits and trips further afield.

Change of purpose

We will only use Your personal information for the purposes for which we collected it, unless we reasonably consider that we need to use it for another reason and that reason is

compatible with the original purpose. If we need to use Your personal information for an unrelated purpose, we will notify the Employee, Child or Parent, as is appropriate in the circumstances, and we will explain the legal basis which allows us to do so.

Please note that we may process an Employee's, a Child's or a Parent's personal information without their respective knowledge or consent, as relevant to the circumstances, in compliance with the above rules, where this is required or permitted by law.

HOW WE USE PARTICULARLY SENSITIVE PERSONAL INFORMATION

"Special categories" of particularly sensitive personal information require higher levels of protection. We need to have further justification for collecting, storing and using this type of personal information. We have in place an appropriate policy document and safeguards which we are required by law to maintain when processing such data. We may process special categories of personal information in the following circumstances:

1. In limited circumstances, with Employee or Parent explicit written consent.
2. Where we need to carry out our legal obligations or exercise rights in connection with Employee employment.
3. Where it is needed in the public interest, such as for equal opportunities monitoring or in relation to our occupational pension scheme.

Less commonly, we may process this type of information where it is needed in relation to legal claims or where it is needed to protect an Employee, a Child or a Parents' interests (or someone else's interests) and the Employee, Child or Parent as is appropriate is not capable of giving consent, or where the Employee or Parent has already made the information public.

The Nursery's obligations as an employer

We will use particularly sensitive personal information of Employees in the following ways:

- We will use information relating to leaves of absence, which may include sickness absence or family related leaves, to comply with employment and other laws.
- We will use information about the physical or mental health of an Employee, or their disability status, to ensure Employee health and safety in the workplace and to assess the fitness of Employees to work, to provide appropriate workplace adjustments, to monitor and manage sickness absence and to administer benefits including statutory maternity pay, statutory sick pay, pensions and permanent health insurance.
- We will use information about an Employee's race or national or ethnic origin, religious, philosophical or moral beliefs, or an Employee's sexual life or sexual orientation, to ensure meaningful equal opportunity monitoring and reporting.

Do we need Employee consent?

We do not need the consent of Employees if we use special categories of personal information in accordance with our written policy to carry out our legal obligations or exercise specific rights in the field of employment law. In limited circumstances, we may approach Employees for their written consent to allow us to process certain particularly sensitive data. If we do so, we will provide Employees with full details of the information that we would like and the reason we need it, so that Employees can carefully consider whether they wish to consent. Employees should be aware that it is not a condition of their contract with the nursery that they agree to any request for consent from us.

INFORMATION ABOUT CRIMINAL CONVICTIONS

We may only use information relating to criminal convictions where the law allows us to do so. This will usually be where such processing is necessary to carry out our obligations and provided we do so in line with our data protection policy.

Less commonly, we may use information relating to criminal convictions where it is necessary in relation to legal claims, where it is necessary to protect the interests of You (or someone else's interests) and You are not capable of giving your consent, or where an Employee or a Parent, as is relevant to the circumstances, has already made the information public.

We envisage that we will hold information about criminal convictions.

We will only collect information about criminal convictions if it is appropriate given the nature of the role and where we are legally able to do so, which includes but is not limited to Disclosure and Barring Service ("DBS") checks. Where appropriate, we will collect information about criminal convictions as part of the recruitment process or we may be notified of such information directly by you in the course of you working for us. We will use information about criminal convictions and offences in the following ways:

- To conduct a DBS check on each Employee, to record the date of the DBS check, the number of the DBS check and the name of the body conducting the DBS check.

We are allowed to use your personal information in this way to carry out our obligations. We have in place an appropriate policy and safeguards which we are required by law to maintain when processing such data.

AUTOMATED DECISION-MAKING

Automated decision-making takes place when an electronic system uses personal information to make a decision without human intervention. We are allowed to use automated decision-making in the following circumstances:

1. Where we have notified Employees or Parents of the decision and given the Employee or the Parent as is appropriate 21 days to request a reconsideration.
2. Where it is necessary to perform the contract with an Employee or a Parent and appropriate measures are in place to safeguard the Employee's, the Child's or the Parent's rights as is appropriate.
3. In limited circumstances, with explicit written consent from the Employee or the Parent, as is appropriate, and where appropriate measures are in place to safeguard Employee or Parent rights.

If we make an automated decision on the basis of any particularly sensitive personal information, we must have either explicit written consent from an Employee or a Parent as is appropriate, or it must be justified in the public interest, and we must also put in place appropriate measures to safeguard an Employee or a Parents rights as is relevant in the circumstances.

You will not be subject to decisions that will have a significant impact on You based solely on automated decision-making, unless we have a lawful basis for doing so and we have notified the Employee or the Parent as is appropriate in the circumstances.

DATA SHARING

We may have to share Employee, Child or Parent data with third parties, including third-party service providers and other entities in the group.

We require third parties to respect the security of Your data and to treat it in accordance with the law.

Why might the Nursery share Employee, Child or Parent personal information with third parties?

We will share Your personal information with third parties where required by law, where it is necessary to administer the working relationship with You or where we have another legitimate interest in doing so.

Which third-party service providers process my personal information?

"Third parties" includes third-party service providers (including contractors and designated agents), local authorities, regulatory bodies, schools and other entities within our group. The following third-party service providers process personal information about you for the following purposes:

- Local Authorities – for funding and monitoring reasons (e.g. equal opportunities and uptake of funded hours)
- Regulatory bodies – for ensuring compliance and the safety and welfare of the children
- Schools – to provide a successful transition by ensuring information about the child's progress and current level of development and interests are shared

We will share personal data regarding your participation in any pension arrangement operated by a group company with the trustees or scheme managers of the arrangement in connection with the administration of the arrangements.

How secure is my information with third-party service providers and other entities in our group?

All our third-party service providers and other entities in the group are required to take appropriate security measures to protect Your personal information in line with our policies. We do not allow our third-party service providers to use Your personal data for their own purposes. We only permit them to process Your personal data for specified purposes and in accordance with our instructions.

When might you share my personal information with other entities in the group?

We will share Your personal information with other entities in our group as part of our commitment to train staff.

What about other third parties?

We may share Your personal information with other third parties, for example in the context of the possible sale or restructuring of the business. In this situation we will, so far as possible, share anonymised data with the other parties before the transaction completes. Once the transaction is completed, we will share Your personal data with the other parties if and to the extent required under the terms of the transaction.

We may also need to share Your personal information with a regulator or to otherwise comply with the law.

DATA RETENTION

How long will you use my information for?

We will only retain Your personal information for as long as necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, accounting, or reporting requirements. Details of retention periods for different aspects of your personal information are available in our retention policy which is available from the manager. To determine the appropriate retention period for personal data, we consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorised use or disclosure of Your personal data, the purposes for which we process Your personal data and whether we can achieve those purposes through other means, and the applicable legal requirements.

In some circumstances we may anonymise Your personal information so that it can no longer be associated with You, in which case we may use such information without further notice to You. Once you are no longer an Employee, or a Child benefiting from the Nursery's

services or a Parent, as is appropriate, we will retain and securely destroy your personal information in accordance with [our data retention policy **OR** applicable laws and regulations].

RIGHTS OF ACCESS, CORRECTION, ERASURE, AND RESTRICTION

Your duty to inform us of changes

It is important that the personal information we hold about You is accurate and current. Please keep us informed if Your personal information changes during your working relationship with us.

Your rights in connection with personal information

- **Request access** to Your personal information (commonly known as a “data subject access request”). This enables You to receive a copy of the personal information we hold about You and to check that we are lawfully processing it.

- **Request erasure** of your personal information. This enables Employees or Parents to ask us to delete or remove personal information where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove Your personal information where You have exercised Your right to object to processing (see below).
