Reminders:

- Could we remind all parents to make sure they inform the staff on arrival if your child has an existing injury.
- If your child's brings home the teddy and diary to take care of, could we please ask for you to bring it back to us after a week of looking after him so we can then send out with the next child.
- All shift parents could we please ask for you to send in your shifts one month in advance. We are getting extremely busy again and it will be on a first come first serve basis.
- Can we remind all foxes parents to use the brown door please when collecting your children, unless they have popped a sign on the door informing you.
- At parents evening some of the parents took home the parent input sheets these are the ones that have the bubbles on them. Could we please ask that you return them to nursery asap as we need your input into your child's learning.
- School leaver's children just a reminder that we require 1 month's notice in writing to terminate your child's place with us.
- Can we ask that you allow sufficient time to get to nursery before we close at 6pm, so we are able to feed back information about your child and allow staff to leave at 6pm.
