Reminders and Messages

• Pigeon holes

Please can you make sure you are checking every day your child's pigeon hole as there will be lots of information being given out to parents about upcoming events, pictures etc.

• Sessions

Please can we remind you of our $\frac{1}{2}$ day sessions 8.00-1.00pm and 1.00-6.00pm. We are experiencing more children arriving earlier than 1pm and children not being collected until after 1pm. Please can you ensure you are arriving promptly?

• Winter weather

Can we please ensure the children are coming to nursery in appropriate clothing, coats, hats, gloves and footwear, including willies and water proofs (if you have any).

• 2 Year Checks

If your child is reaching 2 years old and you receive a letter from the health visitor for their 2 year check to be completed, please inform nursery asap as we need to complete a form from the nursery for you to take to the appointment

• Photo Day

Have a Wonderful Christmas and a Happy New Year

Reminders and messages continued

Please can you ensure your child has a bag (**labelled**) and a spare change of clothes to bring to nursery every day. We only have a small amount of spare clothes and we are running low very quickly. All children must bring a bag with spare clothes in daily. Can we also ask that you check that you are picking up the correct belongings for your child.

Hedgehogs- can all parents provide your child with a PE kit to stay at nursery. T-shirt, shorts/ tracksuit, pumps/trainers (everything labelled)

Absences

If your child is absent from nursery please can you call nursery to inform the manager.

We are experiencing more and more children not turning up without a phone call.

Medication

If your child is on medication please leave yourself enough time to fill out the medication forms at nursery.

We are experiencing children requiring inhalers more often now. Once again the medication forms need to be filled out correctly to ensure your child has the correct dosage etc.

All medication must be prescribed.

Safety

Please can we stress to you that you **must not** carry your child up and down the stairs at nursery.

It is really important that you adhere to this safety notice.

Parent App - First Steps

We are trying to encourage all parents to complete child observations at home and send them to us via the app, if unsure how to do complete them please ask a member of staff.

Please check the daily diaries regularly for messages, even if your child may not be in on that day. If you have any questions or messages to pass onto the staff you can do this via the app and we will respond as quickly as possible. We are sending out termly summative reports, you will be able to see how your child's progress is doing and any learning next steps

When looking on your child's daily diary we will be adding your child's completed learning development once completed after we have observed them several times.

This will give you more information when your child is achieving their goals and ready to move on to the next stage of learning.

Toilet training

As your child reaches foxes room we are very keen to get your child toilet trained and out of nappies. The staff will talk to you about the process.

How Exciting! Touch screen Table for Nursery.

We have added an interactive table to nursery. It is the perfect addition to allow the children to explore and play with a range of media and use technology as part of the Early Years Curriculum. The table accommodates up to four children to work on a multitude of educational apps including numeracy, literacy, and music. Please note that children will be fully supervised when table is in use and all staff are trained to keep children safe whilst using

Please take a look at the parent notice boards situated outside your child's room- Butterflies and squirrels. Foxes parent board is behind the entrance door above the coat pegs and hedgehogs are situated in the cloak room.

We appreciate your feedback so allocated behind the door in foxes entrance is questions of the month, please feel free to make comments and pop them in the jars provided. The question of the month for butterflies, squirrels and hedgehogs is situated as you put the code into the door to access the nursery on 2 shelves.
